Review Comments

General Comments

-

Specific Comments

| File | Line Number | Comment | Following Action |
|--|-------------|--|--|
| | | Add a screenshot for the ui you have implemented | Added a screenshot for login page |
| src/tt-frontend/src/app/login/page.tsx | | <p>Could you refactor these code to make it more readable? the code in the return statement should be easy to read and understand</p> <p>extract each piece of jsx code that corresponds to a ui component out of this big chunk of code in the return statement, and assign them to variables with a readable nam</p> | Refactor chunks of codes to be readable and re-useable |
| | | | |

Conclusions

 Follow the PR template structure

 Simplify code chunks to make it readable
